Redeem Your Family & Friends Plan Codes

https://onsego.com/docs/redeem-your-family-friends-plan-codes/

Your Family & Friends package includes **two activation codes—one for each student.** Each code can be used once to create a separate student account.

1. **Choose the plan listed in your email:**
   - Advantage
   - Advantage Plus
   - Advantage Pro
2. **Enter one activation code** in the **“Receive a code”** box.
3. **Complete registration** using the student’s name and email address. After applying the code, the total should be **$0**.

The second student follows the same steps using the **other code and a different email address**.
